 - 1. Revenue – [Attachment #1](#)
 - 2. Expenses – [Attachment #2](#)
 - 3. Cash Balance – [Attachment #3](#)
 - B. August Disbursement
 - 1. The approximate amount going into each fund is known; 911 Coordinator is currently working with Central Accounting on getting these disbursements completed. Des Moines PSAP can expect \$237,939, Polk County PSAP can expect, \$176,350, WestCom can expect \$169,165. Catastrophic Reserve had two disbursements, \$435,000 to cover FY22-24 and \$36,250 for the first disbursement this year. Joint Projects received \$46,070. The administrative account received \$45,518. We are expecting all disbursements to be complete by the end of August.
- VIII. Aureon Contract
 - A. Equipment Returns
 - 1. WestCom still working on confirming with their IT if the equipment can be disconnected and turned in. Des Moines has turned in their equipment. There may still be some equipment at Aureon that they do not have access to. Dehnert may need to provide access to this and/or work with West Des Moines IT on this. Polk County has returned all equipment that was requested to be turned in by Aureon.
 - B. Past Due Billing
 - 1. We received another bill stating we had past due charges. Geisinger worked with their billing department to have these waived again. Aureon confirmed again that we do not owe anything.

IX. 911 Training Grant**A. Des Moines PD EMD Training Grant**

1. EMD Training scheduled for September 25th at ILEA.

X. Alert Iowa**A. Additional Users**

1. 911 Coordinator met with Windsor Heights to work with them on allowing direct access to some of their PD and FD employees so they can send out alerts without adding to Westcom's workload during an emergency.
2. Dehnert confirmed West Des Moines FD/the City in general is also interested in direct access.

B. Sub-Agreements

1. 911 Coordinator will be working on creating sub-agreements for new users to sign. Current users will also be asked to sign an agreement for consistency.

C. Current User List

1. 911 Coordinator will be reaching out to PSAPs individually to confirm their list of current users so access for those no longer needing it can be terminated and to work on creating a workflow that will keep these lists up-to-date.

XI. Open Discussion

- A. SF 2205** – allows a city council to temporarily suspend hiring regulations found in Iowa Code 400.11; went into effect July 1 and may allow for the city PSAPs to hire full-time employees without going through the civil service process.
- B. Norwalk Service Area Discrepancy** – While responding to a request for cell site verification from Comtech, Dehnert noticed Norwalk was not included in WestCom's service area. Comtech was not able to provide an answer as to why Norwalk was not included. It has been fixed. It's unknown how long it has been that way or what the ramifications are.
- C. NENA PSAP Registry** – State 911 Program Manager is pushing NENA PSAP Registry for source of jurisdictional boundaries instead of having 50 different states doing it 50 different ways. Drawback is that NENA charges the carriers for access to the registry. Registry can be accessed at eprc.nena.org. It's free for PSAPs to use to look up contact information for other PSAPs across the country.

XII. Next Meeting

- A. Thursday, September 26, 2024 at 1000**

XIII. Adjourn – Meeting adjourned at 15:31
